CORTECH

THE X-TRAY®

Insulated Food Tray

OVERVIEW

The seamless, one piece X-Tray features five insulated food compartments and two condiment compartments. Its tongue and groove design seals each compartment for superior temperature control. Manufactured to ISO Quality Standards in the USA.

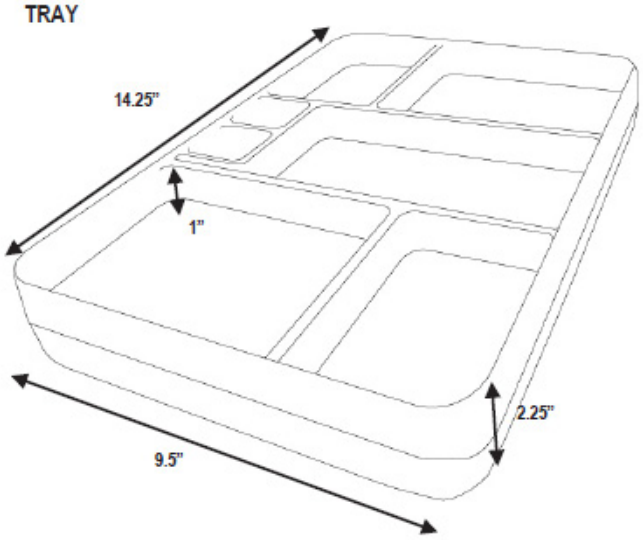

FABRICATION/MATERIAL

Constructed of high impact, no break, polypropylene. Made with FDA Approved material.

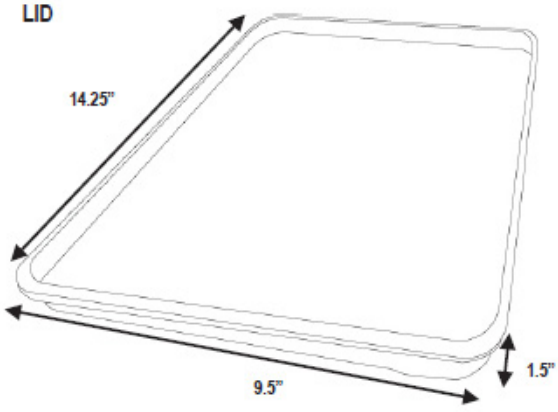

X-TRAY Insulated Tray, Cortech's true one piece, seamless design that has 5 compartments and 2 condiment compartments for bulk use. The X-Tray has tongue and groove sealed compartments for superior temperature control. The raised utensil slot adds delivery convenience. The X-Tray utilizes 1" top to bottom of the feeding surface when standing alone and 2" with a lid. The tongue and groove design seals entire perimeter AND all individual compartments for the tightest seal available. Non-discriminatory in stacking.

COLOR: Brown, Dark Gray, Terracotta, and Orange. Custom colors available upon request.
WEIGHT: 1.75 lbs.
WARRANTY: 5 Year Factory Warranty.
MAINTENANCE: Easy to clean, sanitize & maintain.
